

# Sit Down

- James

**Intro:** G G C D G G C D

**Verse:** G G C D  
I sing myself to sleep, a song from the darkest hour.  
G G C D  
Secrets I can't keep, Inside of the day  
G G C D  
Swing from high to deep, extremes of sweet and sour.  
G G C D  
Hope that God exists, I hope I pray  
G G C D  
Drawn by the under tow, my life is outa' control.  
G G C D  
I believe this wave will bear my weight so let it flow

**Chorus:** G G C D  
Oh sit down, oh sit down, oh sit down, sit down next to me.  
G G C D  
Sit down down, down, down, down in sympathy

**Instr:** G G C D

**Verse:** G G C D  
Now I'm relieved to hear that you've been to some far out places.  
G G C D  
It's hard to carry on when you feel all alone  
G G C D  
Now I've swung back down again, and it's worse than it was before.  
G G C D  
If I hadn't seen such riches, I could live with being poor

[Chorus]

**Instr:** G G C D

**Verse:** G G C D  
Those who feel a breath of sadness, sit down next to me  
G G C D  
Those who find they're touched by madness, sit down next to me  
G G C D  
Those who find themselves ridiculous, sit down next to me  
G G C D  
In love in fear in hate in tears, in love in fear in hate in tears,  
G G C D  
In love in fear in hate in tears, In love in fear in hate  
  
G G C D  
Dooo.....Wn ....oooownn  
G G C D  
Dooo.....Wn ....oooownn

[Chorus]

[Chorus]

**Outro:** G (one strum only)  
Doooo.....Wn
