

## There's A Place - Gareth Heesom

**Intro**            G        D        Em        C

### **Verse 1**

          G                    D        Em                                    C

There's a place, I long to be, a place where I'm wild and I'm free

          G                                    D        Em                                    C

There may be sunshine, there may be rain As long as we're together I won't complain

          Am                                    D        Am                                    D

I don't care, how long the journey takes I'm home when I get through those gates

### **Chorus**

          G                    C                                    G                    D

Running wild, living free Can't keep this smile inside of me

          Am                                    D                    Am                    D

We're getting back to what we used to be Running wild and living free

### **Verse 2**

          G                    D        Em                                    C

There's a place, I long to be, Warm hearts and my wild fest family

          G                                    D        Em                                    C

Though I don't know every single name, I'm greeted with a smile all the same

          Am                                    D        Am                                    D

And it's people ready to lend a hand, willing to give all they can

### **Chorus**

          G                    C                                    G                    D

Running wild, living free Can't keep this smile inside of me

          Am                                    D                    Am                    D

We're getting back to what we used to be Running wild and living free

          G                    C                                    G                    D

Running wild, living free Can't keep this smile inside of me

          Am                                    D                    Am                    D

We're getting back to what we used to be Running wild and living free

### **Outro**

          G                    D        Em                                    C                                    G (1 Strum)

There's a place, I long to be, I don't care where it is, if you're there next to me. There's a place
